State any background information about yourself that you feel is appropriate and state your qualifications for serving on the committee/board/commission upon which you are desirous of serving.

As a current City Administrator (City of Algoma), I understand and appreciate the need to have board/committee members who understand and interpret the municipal/zoning code. I feel that my experience would be a valuable asset to the Village, and I would enjoy serving on any of the above-listed groups, either as an alternate or regular member. I am happy to answer any questions or provide additional information if requested by the Staff, Board, or President.
