

## **DELEGATING AUTHORITY TO ISSUE OPERATOR'S LICENSES TO THE CLERK-TREASURER**

Currently operator's licenses are reviewed by the Clerk-Treasurer and placed monthly under consent agenda to be approved by the Village Board.

2019 Senate Bill 203 allows a municipal governing body to delegate authority to issue operator's licenses to a designated municipal official.

Since an operator's license is not placed on the agenda for approval by the Village Board unless it meets State and Village standards, is this a change the Board would like put in place?

If so, the change would be brought back in Ordinance form for adoption with other housekeeping changes to Chapter 145, Alcohol Beverages.

***Analysis by the Legislative Reference Bureau***

This bill allows a municipal governing body to delegate authority to issue operator's licenses (commonly referred to as "bartender's licenses") to a designated municipal official.

Under current law, a municipal governing body must issue an operator's license to a qualified applicant. Although a person is not required to hold an operator's license to provide alcohol beverages on retail licensed premises, a retail licensee may not be open for business unless the licensee, the designated agent of a corporate licensee, or a person who possesses an operator's license or manager's license is present and responsible for the acts of all persons providing alcohol beverages on the premises.

This bill allows the governing body of a municipality, by ordinance, to authorize a designated municipal official to issue operator's licenses.
